Acorn Sporting Ltd | Simulated Game Shooting

By booking a day with **Acorn Sporting Ltd**, the Lead Gun/Client agrees to the following terms and conditions on behalf of their entire party.

1. BOOKING & DEPOSITS

- **Reservation:** A booking is only considered confirmed once a non-refundable deposit has been received.
- **Final Balance:** The remaining balance must be cleared on the day or prior to the scheduled shoot date.
- **Late Payment:** Acorn Sporting reserves the right to cancel the booking and retain the deposit if the balance is not paid by the due date.

2. CANCELLATIONS & REFUNDS

- **Client Cancellation:** If you cancel your booking within 48 hours of the day of the shoot, the deposit is non-refundable.
- **Acorn Sporting Cancellation:** In the unlikely event that we must cancel due to unforeseen circumstances (excluding Force Majeure), a full refund or an alternative date will be offered.
- **Weather:** Simulated shooting is an outdoor pursuit. We shoot in most weather conditions. A day will only be cancelled if the Shoot Captain deems the weather to be a safety risk (e.g., lightning or extreme gale-force winds).

3. INSURANCE & LICENSING

- **Shotgun Certificates:** All guns must be in possession of a valid UK Shotgun Certificate (unless prior arrangements for "Novice" instruction have been made).
- **Insurance:** It is a condition of booking that all guns have valid Third-Party Public Liability Insurance (e.g., through BASC, NGO, or CPSA). Proof of insurance may be requested on the day.

4. SAFETY & CONDUCT

- **Safety Briefing:** All participants must attend the morning safety briefing and sign the safety declaration forms following the briefing.
- **Cartridges:** Only **Fiber Wad** cartridges are permitted. Plastic wads are strictly prohibited to protect the environment and livestock.

- **PPE:** Hearing and eye protection are mandatory.

5. MOBILE SHOOTS (YOUR GROUND)

- If Acorn Sporting is traveling to your estate, the client is responsible for ensuring the ground is suitable and that all necessary permissions/risk assessments for that specific land have been addressed by the landowner.
